Fresh blood + Pfizer BNT162b2

00:23:42

- **Rabbit 3001**: Thank you so much for examining the vaccine and your blood with and without the vax for us That was fantastic!
- **Candance**: Hats off to the great Doc! Bravo! This is amazing!
- **Wanda Erker**: woow it looks totally different now
- **Telomere Maximalist**: came for the edgy jokes, but stayed for the science
